

SURYA LOKESH A

Software Developer (.NET)

+91 9700710551 | suryalokeshaddagalla@gmail.com | <https://www.linkedin.com/in/suryalokesh/> | Hyderabad, INDIA

Software developer with over 7 years of experience, including 4+ years specializing in .NET, extensive practice in agile development methodologies (TDD and BDD), applied knowledge of n-tier architecture, design patterns (SOLID, DRY, Clean coding), and experienced in unit testing and Dependency Injection. I am looking for a long-term opportunity and am open for relocation.

ACHIEVEMENTS

- Awarded as an **Orion** for significant contribution in migrating **690 web portals** under a tight deadline.
- Automated tasks saved **160hrs/week** and **5:1 resource** per task and estimated **cost saving \$7225** per site.

SKILLS

- **Languages:** C#, Visual Basic, JavaScript, SQL, LINQ, XML, Razor, UML, YAML
- **Frameworks:** ASP.NET MVC, .NET Core, Entity Framework, Web API, Bootstrap, REST API
- **Tools:** TFS, Git, Jira, Confluence, Resharper, Moq, Unit Testing, SSRS, SSIS, Postman, Swagger, Service Now
- **Database:** SQL Server, MS Access
- **Other:** Azure, IIS, SharePoint, Microsoft 365, PowerApps, Power Automate, jQuery, AJAX, ReactJS, NodeJS

EXPERIENCE

Software Developer: NEXT PLC (Enderby, UK)

Aug 2023 – May 2024

- Collaborated with **5+ cross-functional teams** to identify and enhance **10** key business processes, resulting in a **15% increase** in operational efficiency.
- Implemented workflow-driven forms using **Zendesk**, improving **process efficiency by 60%**.
- Built **5 custom apps** in Zendesk using ReactJS and NodeJS to **cut down operational expenditure**.
- Developed and deployed **7 SSIS packages** for critical processes, ensuring seamless data integration with mainframe systems and improving **data accuracy**.

Software Developer: Amazon (Derby, UK)

Jun 2022 – Jul 2023

- Implemented a self-service portal for **8 Kiosk systems**, improving user experience and reducing support requests by **30%**.

Software Engineer: Tally Group (Hyderabad, India)

May 2019 – Aug 2020

- Applied **strategy design pattern** to **support 12** different markets, enhancing application performance by **40%** and reducing development time by **25%**.
- Planned sprints (Jira) and deliverables, conducted code reviews, and refactored code.

Software Developer: QuisLex (Hyderabad, India)

Feb 2014 – Feb 2019

- Developed **5** web applications to **automate** business processes and **migrated 6** legacy VB apps to modern MVC web applications, integrating Web APIs with **third-party M-Files** repository, increasing productivity by **60%**.
- Mentoring and training the junior resources and preparing development objectives.
- Coordinated with clients, stakeholders, business teams, and vendors for successful deployments and UAT testing.

Information Analyst: QuisLex (Hyderabad, India)

Aug 2013 – Dec 2013

- Extracted data using advanced search patterns and regular expressions, **reducing** data retrieval time by **40%**.
- Documented data extraction processes and analyzed procedures to meet specific client requirements which **improved** data compliance.
- Created workflows in OmniPage Ultimate for **batch processing 1,000+** files, **reducing** manual processing time by **50%**.

EDUCATION

- Masters in Computing | De Montfort University (UK) | 2021 | Merit
- Bachelors in Computer Science Engineering | Andhra University (India) | 2012 | 6.9 CGPA
- Diploma in Computer Science | State Board of Technical Education (India) | 2009 | 7.8 CGPA
